**so peaceful!**

Stars and stardust are the inspiration for this poetic modern fairy tale. The festive decorations have a delicate and reduced character. This special look is created by unusual, amorphous shapes and an absolutely fascinating surface finish.

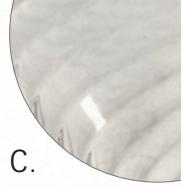

*Mond, Mondlicht, Sterne und Sternenstaub sind die Inspirationen für dieses poetisch-moderne Märchen. Die festliche Dekoration wirkt feinfühlig und reduziert. Der besondere Look entsteht durch ungewöhnliche, amorphe Formen und eine durchgängig faszinierende Oberflächengestaltung.*

This delicate colour spectrum ranges from light pastels to neutral, purist shades and cool gold. Illumination, backlighting, transparency, hazy tints and blurred edges inspire the elegant palette. Natural colours come from materials such as stone, mother-of-pearl and paper.

*Das zarte Farbspektrum spannt den Bogen von hellen Pastellen über neutrale, puristische Nuancen bis hin zu kühlem Gold. Licht, Gegenlicht, Transparenz, Nebeloptiken und Unschärfe inspirieren die anmutige Palette. Natürliche Farbaspekte fließen über Materialien wie Stein, Perlmutter und Papier ein.*

New shapes – contemporary, clean and flowing – characterise this almost unreal, unearthly style world. Delicate glassware displays gentle reliefs, mirroring and double-wall effects. A touch of magic is created through the interaction of ultra-smooth, high-gloss surfaces with matt finishes, stone looks, creased, folded and pleated structures as well as high-quality natural papers.

*Neue Formen – kontemporär, clean und fließend – prägen diese fast unwirkliche, überirdische Stilwelt. Zartes Glas zeigt immer wieder sanfte Reliefs, Spiegel- oder Doppelwandeffekte. Magisch wirkt das Zusammenspiel ultraglatte Oberflächen und Hochglanz mit matten Finishes, Steinoptiken, Knitter-, Falt- und Plisseestrukturen sowie edlen, oft natürlichen Papieren.*
